HYPERION

Premium Imaging Supplies

DID YOU KNOW?!?

In North America we throw away over 350 million empty toner and ink cartridges per year? Yikes! Now you can do your part to reduce waste and recycle.

Recycle Your Empty Cartridges

- Less waste in landfills
- Can take up to 1,000 years to decompose
- 3 Quarts of oil are needed to produce a cartridge from scratch
- Recycled cartridges are used to create new cartridges
- Each cartridge recycled saves at least 1/2 gallon of oil

HYPERION

- ✓ STMC and ISO 9001 Certified
- ✓ 100% Performance Guarantee
- ✓ Superior Customer Service Support
- ✓ Full One Year Warranty

Hyperion products are environmentally friendly and made from recycled empty cartridges. They are built for premium print performance, and follow special certifications to ensure their quality. By purchasing Hyperion, you **save up to 40%** compared to brand name cartridges. So what are you waiting for? *Go green with us today!*
